Profile

I am an experienced JavaScript Developer. I have over 25 years of experience as a programmer and over 10 of those have been professional web development.

Currently, I specialize in creating web components using HTML, JavaScript and CSS, as well as sites using Astro and Metro UI, and I work as a Frontend Lead at Korzh.com, where I improve my skills in JavaScript, TypeScript, HTML and CSS/LESS. I have in-depth knowledge of modern front-end technologies and strive to apply them to create innovative solutions. I am looking for an opportunity to develop in a team of professionals and contribute to the company's success.
